

Game Status Report

This report shows a list of all game statuses in a division and category, and. can be filtered further by group, game status, entered or not entered, and verified or not verified. This summary shows game number, the home team, the visiting team, the game date, start time, end time, location, game status, whether it is or is not verified, and any game comments.

The drop-down menus allow different combinations of filtering options. For example, a report can be generated for a summary of games that have been played but not verified, or rather only look at games which have not yet been entered.

Note: It is very important to run this report on a regular basis to monitor the status of all games. Managing Directors will run this report to ensure that ALL games are entered and verified.
