

Individual Game Member Penalty Summary by Team Report

This report shows a record of an individual player's penalties within a division and team. This can be filtered further by competition as well. This summary shows the individual, the specific game number, the total minutes received by the member in the specific game (colour coded to reflect the severity), whether the member was listed on the game sheet for that that game or not and gives totals of players who received penalties in the game and the total number of penalty minutes incurred by the team in the individual game.

Individual Game Player Penalty Summary by Team

Season*
